

DESTINED TO SHINE

KATAMEYA CREEKS, NEW CAIRO

STARLIGHT DEVELOPMENTS ESTABLISHES STRONG COLLABORATIONS WITH THE WORLD'S LEADING CONSULTANTS

Starlight Developments is proud to announce the strongest collaborations with some of the world's most prominent consultants for **Katameya Creeks**, New Cairo.

The project is designed By **Erga**, the Middle East's leading architectural firm with a strong impact on the renovation and reconstruction of Beirut.

Our general Contractor, **Rowad Modern Engineering** have been in place with 20% completion rate ahead of schedule. Amongst other prominent consultants and contractors; **Jozoor Landscapes** are leading the landscape design and contracting with **Archipark**, experts in sustainable vegetation to ensure that the land topography and surrounding environment is well preserved.

ECG are leading streetscape and infrastructure works.

Starlight Developments has partnered up with renowned consultants that share their vision of establishing landmark Developments that are destined to become legacies.
